WELCOME

Dios is the leading brand in glass hardware, specializing in modern frameless shower doors, shower enclosures, and heavy glass entrance systems. As part of Precision Glass Industries, a Houston-based custom glass fabricator, Dios Glass Hardware provides a wide range of high-quality products, including durable clamps, clips, handles, knobs, hinges, sliding door sets, towel bars, shower door vinyl, header kits, and U-channels.

Precision Glass Industries excels in crafting custom glass solutions, from elegant shower doors and enclosures to commercial insulated glass, laminated glass, digitally printed glass, and various architectural glass elements such as railings, wall partitions, and heavy glass entrance systems. With a focus on quality glass fabrication, we understand the importance of premium hardware and stand behind the Dios brand to withstand the test of time while enhancing classic and modern aesthetics.

QUALITY

When selecting hardware, paying attention to every detail is crucial to ensure its durability and prevent potential issues with your doors.

Dios provides high-quality, durable hardware materials and finishes that resist rust and corrosion. Investing in Dios Glass Hardware will enhance the value, appearance, and functionality of your glass doors for many years.

DESIGN

The hardware design is the final touch that completes your renovation. Dios takes pride in offering the latest styles, colors, and finishes to enhance any decor and design aesthetic. Our products balance functionality with beauty, making your life less stressful and more enjoyable each time you step through your stunning glass doors.

- Brushed Stainless
- Matte Black
- Polished Stainless
- Satin Brass

The complete hardware set for installing a sliding door system enables smooth opening and closing of glass panels along a track. The set is perfect for enhancing functionality and updating the overall appearance of your shower doors. AEON offers three styles of sliding doors, from modern to luxurious, to meet your design preferences.

EUROPA features a minimal design that creates an almost floating appearance for the enclosure.

PANDORA offers a luxurious and soft aesthetic, highlighting the beauty of the glass enclosure.

TRITON is a two-door bypass door system equipped with four modern rollers on each door. It allows for easy access to full-standing showers or above bathtubs.

COMMITMENT

At Dios, we are dedicated to offering high-quality hardware, onsite pickup, fast delivery, and exceptional service. This commitment establishes Dios as a trustworthy brand.

By staying attuned to our clients' hardware investments, we ensure complete satisfaction with every purchase of Dios Glass Hardware and partnership with Precision Glass Industries.

WARRANTY

highest quality and craftsmanship standards. Dios warrants its hardware to be free of defects in material and workmanship for three (3) year from the date of purchase.

The warranty is valid only for Dios Glass Hardware purchased and installed. Dios will either replace the hardware or make the necessary adjustments. All warranty claims must be inspected by Dios staff before a replacement or adjustment is provided.
